

EMPWR

EMPWR – SAP Master Data Coordinator - McMinnville, Or

YOUR CAREER

To strengthen our Master Data team, we are looking for an SAP Master Data Coordinator. This role will be based at our site in McMinnville, Oregon (USA).

As a Master Data Specialist, you will be responsible for managing and optimizing the master data that supports the company globally. This includes customer, vendor, and product data, which are essential for supply chain and business operations. You will work daily in Mendix and SAP, playing a key role in ensuring data quality and process integrity, while also contributing to data governance and architectural matters.

Responsibilities

- **Data entry and validation:** Daily entry and verification of master data in Mendix and SAP, ensuring all data is accurate and up to date.
- **Quality monitoring and issue resolution:** Identifying and correcting errors in collaboration with the business; working closely with teams in the US, the Netherlands, and Croatia.
- **Project work and optimization:** Leading and supporting projects such as setting up master data for new distribution channels, plants, products, and planned retrofits.
- **Process optimization and collaboration:** Working with international teams to support the Mendix migration in Croatia and the US, and further streamlining the data process.

Requirements

- Bachelor's or Master's degree.
- 3 to 5 years of experience in SAP consultancy or in an internal SAP master data role is a must-have.
- Experience in a manufacturing environment, with BOMs and routings, is essential.
- Experience in Food industry is a plus.
- Knowledge of customer, vendor, and/or product data is a plus.
- Extensive knowledge of Excel (XLookup, formulas, pivot tables).
- Fluent in English.
- Analytical, critical, and structured way of thinking and working.
- A dynamic and international team working toward a shared goal, ready to support your growth.
- A transparent, energetic culture where dialogue is central.
- A company built on ABC values: Act Together, Be Hungry, and Celebrate Success!
- International environment with limited travel.
